Fully Equipped Kitchen

Tempo Leisure are pleased to introduce the 2014 Victory Versailles. Two sets of double sliding doors lead into the open plan living room and you immediately feel the spaciousness; yet two gently curving two-seat sofas upholstered in a bold ruby coloured fabric give cosy warmth and intimacy. The curtains are a shimmering bronze and claret fabric with matching tie-backs so add the electric, log effect glass-fronted fire set in a light oak display unit with contrasting door and cupboard fronts and the room is set for cool winter days, or bright summer sun. The dining area has a tile effect floor, so very practical, a light oak table matched with four leather-look high back chairs. Dividing the dining area from the kitchen is a two person breakfast bar, with adjustable height stools, not just for breakfast but ideal for a coffee break or an informal meal. The kitchen is perfectly designed and equipped for you to follow recipes in your favourite cookery books with a five burner hob with a splash back, an extractor hood, a gas oven and grill, integral microwave, fridge and freezer and a dishwasher. For good measure, add in the wine rack, a one and a half bowl sink with drainer set in cream coloured worktops, pan drawers galore and a dramatic horizontal grain high gloss colour to the doors for the wow effect. There are certainly plenty of cupboards for storing culinary essentials as well as food and every day crockery too. There is a utility room with another sink, a washing machine, more cupboards and the gas fuelled condensing combi boiler for central heating and hot water.
