Expansive French windows allow an abundance of natural light to flood the home, whilst bringing the outside beauty of your surroundings in. The family bathroom is similarly stunning and bright, with the highest quality features and a real sense of tranquility. The Retreat uses a clever combination of rough style wood and red brick throughout to create a hand crafted and tranquil environment, from the stunning unfinished wooden beam across the ceiling, to the red brick surrounding the beautiful fireplace. The romantic and homely design is continued through to the sleeping areas, which are comprised of one luxurious master and a comfortable double and practical twin room.
